

## Individual Player Sponsorship Program Help Ensure A Child Can Play

Working together to assist in removing financial barriers so that all children can play. Last year we were able to assist 11 kids with player fees through this new program with the generosity of the sponsors that participated. Our goal is to hopefully be able to assist more children this year with player fees.

Stoney Point Soccer Club is always looking for ways to improve the involvement of our local youth in soccer programs. No child should be denied the opportunity because of financial circumstances outside their control. We do our best to make a difference to ensure that all children are given a chance to experience the benefits of organized soccer. Obtaining league fees from players is vital for the success of our soccer club. So, we are reaching out to our sponsors for help to offset the costs associated with league fees for players. \$60 goes a long way to help provide a full soccer uniform, insurance, fees, and much more.

Working together we hope to make a difference, so no child is left behind.

Thank you for your support
